Elizabeth,
Here is our draft response (letter and more detailed attachment per guidance from Kevin Teichman).
We have a Listening Session which will include the Methanol Institute tomorrow; I doubt this can be signed by then but it sure would be nice!
Thanks for getting the extension.
John

Elizabeth,
We would like to request an extension. Debra Walsh and I are both out of the office all next week and we, along with Reeder, are above maximum capacity with completion of the Lead Integrated Science Assessment and the PCB IRIS assessment and other tasks.
Please request a 1 or better still a 2 week extension.
Thanks,
John
